**Notes to the Financial Statements
for the Year Ended 30 September 2021**

1. STATUTORY INFORMATION

Kaler Engineering Limited is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

The presentation currency of the financial statements is the Pound Sterling (£).

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" including the provisions of Section 1A "Small Entities" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Income recognition

Income represents the fair value of consideration received or receivable derived from the provision of goods and services to customers during the year (excluding value added tax) and is recognised when the company becomes entitled to it, usually on the rendering of an invoice. Income is recognised when goods have been delivered to customers such that risks and rewards of ownership have transferred to them.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off the cost less estimated residual value of each asset over its estimated useful life.

Plant and machinery etc - 33% on cost and 25% on reducing balance

Inventories

Inventories are measured at the lower of cost and estimated selling price less costs to complete and sell.

In respect of work in progress and finished goods, cost includes an appropriate proportion of attributable overheads according to the stage of manufacture/completion.

Financial instruments

The Company enters into basic financial instruments that result in the recognition of financial assets and liabilities like trade and other accounts receivable and payable, loans from banks and other third parties and loans to related parties.

Basic financial instruments are recognised at amortised cost with changes recognised in profit or loss.

Taxation

Taxation for the year comprises current and deferred tax. Tax is recognised in the Income Statement, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the statement of financial position date.

Kaler Engineering Limited (Registered number: 04069845)**Notes to the Financial Statements - continued
for the Year Ended 30 September 2021****2. ACCOUNTING POLICIES - continued****Deferred tax**

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the statement of financial position date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

Pension costs and other post-retirement benefits

The company operates a defined contribution pension scheme. Contributions payable to the company's pension scheme are charged to profit or loss in the period to which they relate.

Government grants

Government grants in relation to COVID-19 are recognised on the accruals basis and credited to the Income Statement and any related expenditure is charged to the Income Statement.
